Virtual Going Out-Tuesday 4/20/21 Archived

April Broyles • 11 months ago • Monday, Apr 19 at 3:02 PM • **LE Distance Learning**

Hello families,

Tomorrow I will be out of the classroom. However, we have a fun virtual going-out for the children. The staff from Echo Hill will be giving two different presentations, one on bay studies and the other on swamp ecology. MICH has a long standing relationship with Echo Hill and children in 3rd grade will be able to attend an in-person day long trip next year (if all goes well) and the UE children participate in their overnight program. Echo Hill provides nature education, environmental stewardship and a chance to experience this valuable resource, so close to home.

We have been learning about the Chesapeake Bay, about estuaries and about the watershed. This going-out will be a perfect compliment to what the children already know.

Ms. O and Alina will be the points of contact tomorrow and will be setting up the virtual zoom sessions. Please note the following change to tomorrow's schedule:

8:45 Morning check in

9-9:45 Children should be working on assignments in Google Classroom (I will be posting these today)

12:50 Afternoon Check In

1:00-2:00 -Session 2 - All LE (and UE)

Please let me know if you have specific questions.

Thank you,

April
